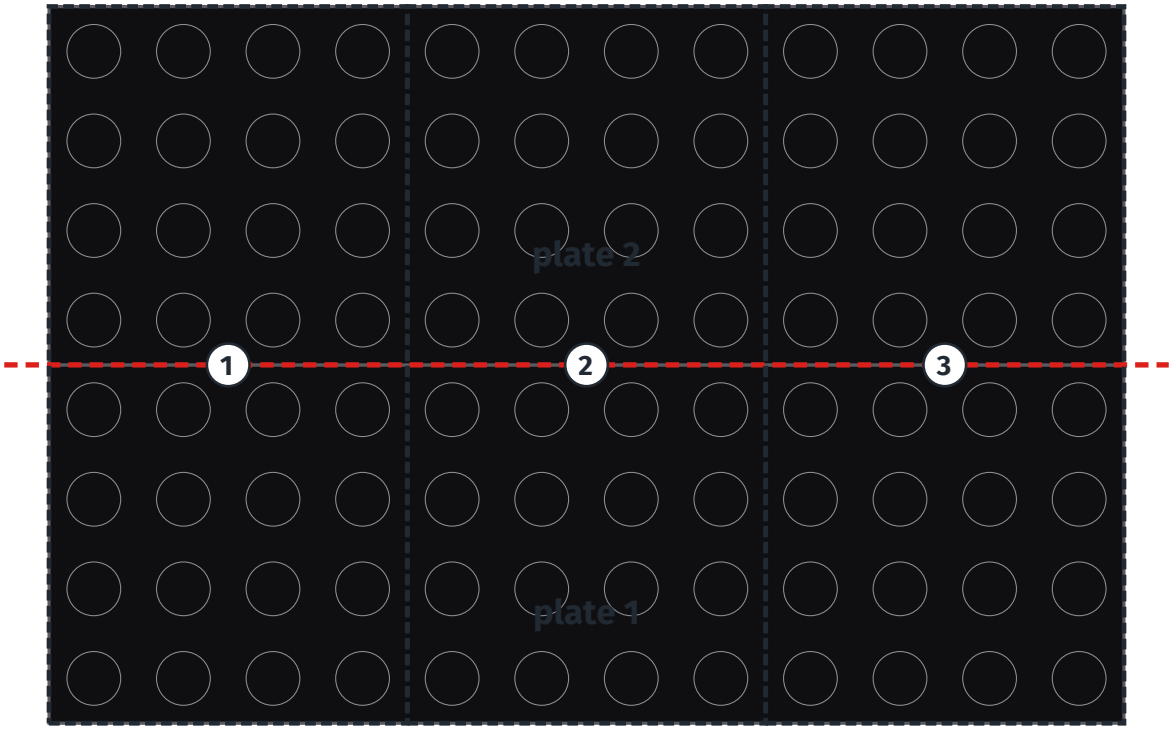
Colours in this set

Sort your bricks into these colour groups before you start, one bowl each. Light and dark versions of a colour look alike under warm light: sort them in daylight. Every step names the colour of each part, plain name first, official name in brackets.

	colour	in greyscale	pieces	bowl
	**Green**		25	1
	**White**		19	2
	**Reddish brown** (Reddish Brown)		10	3
	**Black**		9	4
	**Light tan** (Tan)		5	5
	**Light grey** (Light Bluish Grey)		4	6
	**Dark green** (Dark Green)		2	1
	**Sand Green**		1	7

First: join the base plates

The base is 2 plates of 12 × 4 studs (Black), 12 × 8 studs in all. In step 1, lay the 3 black plates on the table, studs up, where the dashed outlines are. In step 2, press the base plates on top, edges flush: each plate below sits half under one base plate and half under the next, so the seam is locked along its length.



FRONT: this edge faces you in the step pictures. Red dashes: the seams.

1 4 × 8 plate, Black, underneath: 0 studs from the left edge, 0 from the front
2 4 × 8 plate, Black, underneath: 4 studs from the left edge, 0 from the front
3 4 × 8 plate, Black, underneath: 8 studs from the left edge, 0 from the front
