Couleurs de ce set

Trie tes briques par groupes de couleurs avant de commencer, un bol par groupe. Les tons clairs et foncés d'une couleur se ressemblent sous une lumière chaude : trie-les à la lumière du jour. Chaque étape donne la couleur de chaque pièce, d'abord en mots simples, le nom officiel entre parenthèses.

couleur	en gris	pièces	bol
Gris clair (Light Bluish Grey)		37	1
Beige clair (Tan)		25	2
Beige foncé (Dark Tan)		17	3
Noir (Black)		16	4
Brun rougeâtre (Reddish Brown)		15	5

D'abord : assembler les plaques de base

La base se compose de 1 plaques de 12 × 4 tenons (Noir (Black)), 12 × 4 tenons en tout. À l'étape 1, pose les 3 plaques sur la table, tenons en haut, aux contours en pointillés. À l'étape 2, presse les plaques de base dessus, bord à bord : chaque plaque du dessous est à moitié sous une plaque de base et à moitié sous la suivante, et verrouille le joint sur toute sa longueur.

DEVANT : ce bord est face à toi dans les images des étapes. Tirets rouges : les joints.

1 plaque 4 × 8, Noir (Black), dessous : 0 tenons du bord gauche, 0 de l'avant
2 plaque 4 × 8, Noir (Black), dessous : 4 tenons du bord gauche, 0 de l'avant
3 plaque 4 × 8, Noir (Black), dessous : 8 tenons du bord gauche, 0 de l'avant
